PUBLIC HEARING - Budget as Introduced April 19, 2018

#2018-92 Resolution Adopting the 2018 Municipal Budget

The Clerk advised Resolution **#2018-92** advertising the public hearing was published in The LINK News on April 26, 2018 and the municipal budget was posted within 7 days at the Borough Library and as required by law.

PUBLIC HEARING:

Mayor Coffey opened the meeting for public comment on this resolution only.

Stuart Briskey, 46 Werah Pl., asked Council President Irace why the volunteer fire department's budget was reduced by 7.716% from last year. Council President Irace

deferred to Mr. Poerio, who stated that an agreement was made with the first aid and fire departments which asked if the Borough could include repaving their driveways and aprons as part of the Borough's 2018 road program. The reduction reflects the payment plan associated with that work. Council President Irace advised that the Borough makes improvements to all volunteer buildings. Mr. Briskey expressed concern that the Borough would invest in the Hook & Ladder building, which the Borough does not own as opposed to Port-Au-Peck which the Borough does own. Council President Irace disputed Mr. Briskey's statements. Mr. Poerio explained that the rental payments to the Hook & Ladder are not being paid in exchange for the paving project. Mr. Briskey questioned increases in Administrative and Executive expenses and water and sewer. Mr. Poerio explained the reasons for the budget changes due to additional buildings.

As no one else from the public wished to be heard, the Mayor closed the public hearing on a motion by Council President Irace, which was seconded by Councilman Proto and unopposed by Council.

Council President Irace made a motion to approve the resolution adopting the 2018 Municipal Budget, which was seconded by Councilman Proto. Council President Irace noted for the record that after the recent re-evaluation, the average home assessment was \$554,493, with an average increase of \$74.23 with this budget as adopted.

MOVER:	Joseph A. Irace, Council President
SECONDER:	Robert Proto, Councilman
AYES:	Cooper, Deerin, Gallo, Irace, Proto, Solan

13. Committee Reports:

1. Councilman Proto, Planning and Development Liaison

Councilman Proto stated the resolution regarding the Purchase Sale Agreement for 220 Monmouth Bvd. was pulled because there was a problem identifying the location of 3 affordable housing units by the developer. He reported that Oceanport Gardens (senior citizens' housing) will be taken over by new owners, who have intentions to invest approximately \$3 million in improvements to the building and grounds.

2. Council President Irace, Finance and Administration Liaison

Council President Irace thanked the Council for approving the 2018 budget. He described the difficult process, and was grateful for the outcome. He advised that the Supreme Court approved sports wagering. Monmouth Park is ready to accept bets, but lawmakers in Trenton have asked to delay until June 7th.

3. Councilman Gallo, Public Works and Engineering Liaison

Councilman Gallo had no report.

4. Councilwoman Cooper, Health and Human Services Liaison

Councilwoman Cooper advised the Environmental Commission met and discussed pending applications before the Planning Board and determined there were no environmental concerns. Shore Rd. drainage was discussed. The Water Watch Committee conducted testing and high fecal levels were reported near Woodbine Cemetery and will conduct an investigation on a manhole nearby to determine if there is a leak. Councilwoman Cooper asked if some important announcements that are in the Borough's Bulletin could be posted on the PEG channel. She met with Advanced Enrichment 6th grade students, who are interested in implementing a project to repair the Borough's parks. They are interested in

presenting a plan to the Mayor & Council. As a result of recent discussions regarding school transportation and emergency vehicle usage, she asked for a discussion on eliminating stipends for Mayor & Council members be added to the next agenda.

5. Councilman Solan, Public Safety Liaison

Councilman Solan stated that this is National Police Week and encouraged everyone to say thank you to police officers for their service. He congratulated Chief Mike Kelly, who participated in the Police Unity Tour, a 300 mile bike ride from New Jersey to Washington, DC. Public safety issues related to sports betting at Monmouth Park will be discussed. Due to an expected increase in need for services, Councilman Solan encouraged residents to volunteer.

6. Councilman Deerin, Parks and Recreation Liaison

Councilman Deerin reported the miniature golf tournament held at Monmouth Park was a success. Plans for the Memorial Day parade are underway. In connection with the students' interest in the Borough's parks, he took the opportunity to discuss an Adopt a Park program with several landscapers, who expressed interest in donating, but wanted assurances on maintenance.

14. **Mayor Coffey's Report:** Mayor Coffey noted that Monmouth Park's opening day coincided with Kentucky Derby for the first time, which created an exciting day. The Supreme Court ruling on sports betting adds additional interest for the racetrack. The State and County will assist with needs associated with sports betting. The Mayor reported that he met with FMERA regarding roads. He reported that he attended another ceremony inducting Eagle Scouts, and noted that Oceanport has an amazing number of Eagle Scouts. Mayor Coffey stated that Monmouth Park will host a food truck event on Memorial Day weekend.

Mayor Coffey then opened the meeting for petitions from the public.

15. **Petitions from the public:**

Keith Salnick, 60 Shore Rd., asked Councilwoman Cooper for details on the discussion on the outflows. She stated that they are basically not operating properly and is being investigated. Mr. Salnick asked what the amendment to the Flood Damage Prevention ordinance. Ms. Smith explained that surrounding towns had adopted the newest flood maps which now need to be reflected on their FIRMS. Oceanport is located on the same FIRMS and therefore the Ordinance must be updated to reflect the new FIRM data. In addition, the amendment provides a written Borough code for addressing substantial damage. Mr. Salnick stated he made a formal request of Mr. White, Borough Engineer, Mayor Coffey and Mr. Poerio on 1/31/18 for an easement for a trench for electrical and water on Block 74, Lot 7 and requested a formal response. Mr. Arnette suggest that Mr. Salnick submit a written request to Ms. Smith to add the item to the agenda. Mr. Salnick also asked for information about running for council and getting involved in public office. He was advised to consult Monmouth County Votes.

Jeffrey Oakes, 60 Pemberton Ave., again appeared before the Mayor & Council to advocate for medical marijuana and express support for cannabis dispensaries. He expressed displeasure with the Supreme Court's decision to allow sports gambling, which in his opinion encourages drinking and debauchery. He spoke about the opioid crisis and drinking problems. Mayor Coffey discussed the authority of the State vs. municipal control over pharmaceuticals.

Rose McGill, Lawrenceville, NJ, stated she supported Mr. Oakes' position

regarding the ban on medical cannabis. She spoke about the 80 year history of banning cannabis as medicine. She encouraged teaching children that cannabis is a medicine and teaching adults about cannabis and responsible use.

Jeffrey King, 24 Elizabeth Pkwy., Eatontown, again appeared before the Mayor & Council and expressed his continued support and endorsement for the use of medical marijuana. He also expressed displeasure with the approval of sports betting and brewery. He encouraged attendance at meetings in Trenton.

As no one else from the public wished to be heard, Mayor Coffey closed that portion of the meeting.

16. Adjournment:

As there was no further business, the meeting was adjourned at 8:18pm on a motion by Council President Irace, seconded by Councilman Proto and approved by Council.

Respectfully submitted,
