RESOLUTION OF THE BOROUGH OF OCEANPORT COUNTY OF MONMOUTH, STATE OF NEW JERSEY URGING CONGRESS AND THE FEDERAL GOVERNMENT TO CHANGE THE CLASSIFICATION OF MARIJUANA FROM SCHEDULE I TO SCHEDULE II

Resolution #2018-76
04/19/18

WHEREAS, marijuana is currently classified as a Schedule I drug under the United States Controlled Substances Act, which classification impedes legal public and private research by industries and Universities; and

WHEREAS, while the use of medical marijuana is allowed in at least 23 of the United States for numerous medical indications, marijuana use remains illegal under Federal law; and

WHEREAS, the Federal government has previously indicated that it will not prosecute patients who use medical marijuana in states where state law permits the use of medical marijuana; and

WHEREAS, there has been a change in the public policy in New Jersey regarding the use and utilization of marijuana as a legal product; and

WHEREAS, there is a significant lack of research on medical marijuana by industries, Universities, and research institutions in the country, likely due in part to marijuana's classification as a Schedule I drug under federal law; and

WHEREAS, conducting research on a Schedule I drug requires a license issued by the Drug Enforcement Agency, not similarly required for research on a schedule II drug; and

WHEREAS, changing the classification of marijuana from a Schedule I to a Schedule II drug would allow for medical marijuana to be sold in pharmacies in New Jersey, which the Borough supports; and

WHEREAS, changing the classification of marijuana from Schedule I to Schedule II under Federal law would result in the drug being more available for research, while still keeping marijuana safely regulated; and

WHEREAS, New Jersey has nationally respected research Universities, healthcare facilities and pharmaceutical companies, including Universities such as Princeton, Rutgers, Rowan, NJIT, Stevens Institute of Technology and Seton Hall, and industries such as Johnson and Johnson, Pfizer, Sanofi, Novartis, Bristol-Myers Squib and Merck & Co.:

NOW, THEREFORE, BE IT RESOLVED that the Municipal Council of the Borough of Oceanport in the great State of New Jersey urges Congress and the Federal government to change the classification of marijuana from Schedule I to Schedule II; and

BE IT FURTHER RESOLVED that the Clerk is directed to send this Resolution to (insert all the people/places/organizations you want it sent to).

MEMORANDUM

To: **Raymond Poerio, Borough Administrator**

From: **William HR White III, P.E., P.P., C.M.E., C.F.M.**

Date: **April 6, 2018**

Re: **Ordinance #986**
Master Plan consistency
MC Project No. OPB-001

Our office has reviewed Ordinance #986 related to prohibiting business growing or selling medicinal or recreational marijuana, as well as the current 2016 municipal Master Plan.

The Master Plan does not speak to the issues of marijuana legalization, growing, processing, or dispensing thereof including paraphernalia. Because the Master Plan does not make recommendations toward the eventual incorporation of any such uses into the municipal fabric, this ordinance is not inconsistent with the Master Plan.

The Goals of the Master Plan include:

- To preserve and enhance the community character and small town feel;
- To protect and renew natural resources and create man-made resources that aid in flood protection and resiliency;
- To bolster multi-modal travel opportunities;
- To promote complementary commercial uses in redevelopment areas including Fort Monmouth and Monmouth Park;
- To offer conveniently located public facilities and make them available to all segments of the community; and
- To ensure a high quality of life for all residents.

None of these goals support the addition of marijuana-related businesses to the Borough. And, there is significant concern within the community that the location of such businesses within the Borough would contradict various Goals.

In short, the Master Plan's silence on this matter merits an interpretation of consistence with the proposed ordinance. If you should have any questions or require additional information please do not hesitate to contact me.
