I. Call to Order

III. Flag Salute, Statement to the Public

Often times it may appear that the Mayor & Council take action with very little comment and in many cases by unanimous vote. Many items are of routine business that are placed on a Consent Agenda as they do not require additional discussion. Items not of a routine nature are first listed for discussion at a Workshop meeting prior to being listed for action at a Regular Meeting. Where appropriate, items are referred to a Council Committee for further study and investigation before being returned with a recommendation for the full Council to consider. The members of the Borough Council work via committees along with the Mayor, Borough Clerk and Administration to assure that the members fully understand the matter. There are occasions where matters are presented to the Mayor & Council for discussion and action at the same meeting when of a timely nature.

Re: Special Permit Application-Boujee Foodie Con-Food Truck and Vendor Fair-June 3 and 4th fort Monmouth.

Dear Mayor Coffey,

As per Borough Code 326-3, I have reviewed the Special Event Permit Application for the Boujee Foddie Con Food Truck and Vendor event to be held at 1000 Sanger Ave on Fort Monmouth.

The event is being held on June 3rd and 4th from 11:30am to 10:00pm on the property of 1000 Sanger Ave. The event is being organized and managed by CW Events LLC.

The event coordinator has received written approval from the property owner at 1000 Sanger Ave to utilize the property for the event.

The event organizer, Melanie Carpenter has spoken to out Traffic officers and will determine at a later date the need for police officers to work the event. Planning will include traffic and pedestrian safety as well as safety and security of the physical site determined by the number of people attending the event each day.

I will also advised the Event management to contact the Borough of Oceanport Fire and Code inspector to determine if any inspections are required by Borough and state law related to the event.

There will be no scheduled roadway closures or detours during the event and the event will not affect the routine flow of traffic.

I am recommending that the mayor and council approve the application.

Sincerely,

Michael P. Kelly
